

Join Our Home Care Assistance Team

Experience fulfillment and a sense of purpose by helping seniors become champions of aging

As a leading provider of in-home care services, our caregivers serve as the heart and soul of our company. In an industry designed for compassionate and caring individuals, each of our caregivers are treated as if they were family. We would love to welcome like-minded people to join us in making our clients aging process fun and enjoyable.

WHAT WE OFFER:

- Welcoming and Inclusive Culture
- Comprehensive Training in our Proprietary Wellness and Brain Health Programs, the Balanced Care Method™ and Cognitive Therapeutics Method™
- Opportunities to Cultivate Relationships and Acquire New Skills
- Competitive Compensation
- Flexible Shifts to Compliment your Lifestyle

THIS NETWORKING EVENT INCLUDES:

- An introduction to our team members
- Games and activities
- Complimentary food and refreshments
